

Arabia Insurance Selects People365 to Improve Business Performance Through HCM Digital Transformation

Beirut, Lebanon- April 2023 – Arabia Insurance Company SAL, a renowned insurance company present across 8 territories, announced the adoption of People365 Time Attendance, Payroll, Geo-location check-in and Core HR solutions to help meet its long-term strategic and operational goals. Arabia Insurance Company SAL will use People365 to make informed, real-time business decisions and manage their 500 employees efficiently.

When replacing their existing HR solution with People365 HCM solution, Arabia Insurance Company SAL aimed to consolidate and centralize their HR functions across all entities in Lebanon, UAE, Qatar, Bahrain and Kuwait. Through People365 Payroll Module, they will ensure compliance with all rules and regulations in their countries of operations. Arabia Insurance will also enable the HR department to manage all schedules and absences rules through the Time Attendance Module. As for their employees, they will be able to clock in without the need to invest in hardware and biometrics using People365 clock-in mobile solutions, providing flexibility and ease of use. People365's integrated system will eliminate redundant processes and offer more time for Arabia Insurance's HR to focus on strategic practices rather than time consuming manual processes.

Mr. Elie Khoury,
CEO of Arabia Insurance Company SAL
stated:

"We are delighted to formally announce Arabia Insurance's alliance with People365, one of the market leaders in HCM digital transformation within different verticals, including several references in the insurance industry. We believe that People365 will provide scalable and agile solutions supporting our business benefits such as cost effectiveness, automating processes to boost productivity, standardized approaches to compliance, etc. After checking several HCM solutions, we figured out that People365 addresses the challenges of the insurance industry."

Commenting on this partnership,
People365 CEO, Mr. Maher Chahlawi,
said:

"The insurance industry is in constant change, and organizations must be agile and react at speed to stay ahead of the competition. People365 is committed to constant product development and adoption of the latest trends to meet all the industry's business needs. We are sure that our solutions' capabilities as well as expertise will grant leading digital transformation and effective talent management for Arabia Insurance."
